

Trend in Competency Evaluation Determinations

WASHINGTON STATE

DATA SOURCE: FES modules in Cache database(WSH), MILO database(ESH), Pierce County, and the Forensic Data System (FDS). NOTES: Multiple competency orders for the same individual with the same cause number or order sign date are counted once. Series was updated to exclude cancelled or withdrawn orders.

*Other includes orders still in process and orders where the determination is missing.

** 2022 data is preliminary and subject to change.
